Candy Bees will ensure that when the Sweet cart is dismantled the sweets that are left will be put into suitable containers/bags for you to take home. We require a Min of 2 hours to set the unit up at the venue and approx 1 hour to dismantle.

Candy Bees will Deliver /Set up and Collect the Sweet Cart from your chosen venue. Please note we do not offer a DIY collection service or setting up/decoration service as this unit comes in several parts

Candy Bees will add any decorations that you may have or we can supply for the DIY packages as we ask that ribbon is used to secure items to the base unit

We also ask that clients do not Blu-Tack/Selloptape or Drawing Pin any items to the sweet cart (there will be a charge made if there is any damage to the unit)
